FLEET REPORT FY21**

SPC SUMMARY

This annual fleet report is a service SPC offers in order to stay ahead of problem or aging units under contract. It is designed to highlight areas of concern as well as determine how well your vendor is managing your fleet.

Out of 10 units under contract with KMBS, there were no service calls on your copiers or printers during the fiscal year. Uptime for your fleet was 100%.

Your last upgrade was September 2020. All machines are under a five-year+ warranty and service contract that expires on 6/30/2020 The average model in your fleet was introduced less than three years ago. We monitor this detail because as models get more than 10 years out from date of introduction parts become harder to locate and repair times may be longer.
