Once again the staff at SPC extends their appreciation to you for allowing us to provide beneficial services to you and your organization for the past *7 years*. We are thrilled with all that we have been able to accomplish on behalf of our clients for the past *25 years*, and we are even more excited about all that we are doing on your behalf in the upcoming year.

Our staff continues to look for new ways to improve our services. This year, we are establishing several money- and time-saving programs you will no doubt appreciate. First, we are now offering **SPC Star Doc**. Utilizing the latest technology, SPC has created, developed, and implemented this one-of-its kind program designed to put you in charge of your own budget by giving you predictive tools to determine your individual and building reprographic equipment usage in advance. Second, we now have a **Simplified Billing Program** that reduces paperwork and invoices and minimizes the impact of meter collection on your staff. Finally, we have **redesigned our website** to readily highlight the benefits and services provided by SPC.

This year's Annual Report provides you with an overview of your equipment usage and status for the past fiscal year. Recommendations are provided to address potential problem areas to avoid needless down time and improve equipment reliability for the years to come.

Thank you again for allowing SPC the opportunity to be of service. If you have any questions or are in need of more information, please let us know.

Sincerely,

Skip Tilton
President

would like to personally thank you for your continued trust and confidence!

Skip Tilton, President

Billie Jo Tilton, Vice President

As co-founders of SPC, Billie Jo and I are very proud of our team of professionals. The concept of group purchasing to save millions has grown since 1988 into providing over 16 different managerial services that increase reliability and extend the life of your equipment. However, none of this would have been possible without the loyalty of over 87 clients (3,800+ machines with 1.6 billion prints over five years). Together, we have realized the lowest prices possible while improving the quality of your service and equipment.

Paul Garozzo

General Manager

As General Manager my goal is ensure our clients are pleased with our services and also provide solutions that are efficient, productive and reduce cost. With my 23 years in the copier industry, I will use my experiences to achieve this

goal. In addition, I will be utilizing our new SPC STAR Doc system to further enhance SPC services. Clients will now have the benefit of visually seeing where all their devices are located and project future expenses. I could not be more excited to join the SPC team.

Glen Fortier

Auditor, Electronic Specialist & Equipment Implementation

With 24 years of experience in the electrical field, I look forward to continually meeting and helping all of you with your reprographic needs.

It is my sincere commitment to ensure all machine changes are as smooth as possible.

Sue Penney

Administration & Finance Manager

SPC is committed to providing cost-effective and reliable reprographics platforms to our community of clients. My 20+ years of experience in corporate management will be key in strengthening the relationships between SPC's clients

and vendors. I will be focused on responding to your inquiries with the goal of solving any issues that may arise in a timely and efficient manner. Providing quality customer service is my top priority.

Alex Webster

Director of Customer Relations

It is a great pleasure for me to join the SPC team. One of my responsibilities involves creating detailed maps of your copiers and printers and will be assisting the team in monitoring all of your equipment. My background as a Network Technician and my experience in Customer Service will allow me to give our clients the level of service that they have come to expect from SPC. It is my personal goal to aid in fulfilling each and every promise made to our valued clients.

The SPC Team Continued....

Robert B. Dutil

Director of Information Technology

I have been working with SPC since February 2000. SPC's honesty, work ethics and loyalty have made my experience with the company a pleasurable journey. SPC is constantly trying to improve their technology to better serve their clients. My goal has been to give our clients and associates the best tools available to allow them to be more productive. By doing this, our clientele has the ability to monitor their assets and keep their costs down. I am excited about what the future holds for SPC and our clients.

Rachel Guay

Accounting Coordinator

I am responsible for the majority of the accounting communications between SPC and its vendors and clients. I will rely upon my years of experience and my strong attention to detail to ensure our clients' needs are well served. It is my goal to work accurately and efficiently and to uphold the high standards of customer satisfaction that SPC has provided to their customers. I look forward to establishing a strong working relationship with each and every one of you.

Pam Weed

Client-Vendor Relations

SPC's clients are my Number One priority. When you have a question, concern, need, or problem related to equipment, service or billing, I am available to assist you in getting it resolved promptly. I am pleased to be able to act as liaison between our clients and vendors to ensure smooth transitions or quick resolutions.

Joel Heffernan

Field Representative – Client Relations

As Field Representative for SPC, I reach out to the customer to offer help as needed in and during the installation of equipment change over and in assisting in each event. Also, I bring to this company over forty years in the Copier/Printer industry. It is my goal to assure our clients a pleasant experience in using SPC's services.

Charles Baca

Operational Support

I feel privileged to join SPC and honored that I am able to work with such an amazing team. I'm here to help make sure that the SPC headquarters runs as smoothly as possible. That includes technical issues and networking matters. I also make sure that all of our clients' data are up to date and as accurate as possible. I love working at SPC because it's a challenging work environment committed to their clients.

NOTE: When a machine goes off warranty, it does not mean that the service contract expires. It simply means that if a replacement machine becomes necessary, it may not be at "no charge."

Dear Michele,

Here is a summary of the current situation that need some attention:

1. #27 printers that are deployed we were not given meters
2. # 24 Printers are listed in Storage...some may be used as Hot Swaps
3. #32 Printers MAY have been deployed to non-network locations but no rooms were given and nothing is being billed
4. #7 machines that are being Underused

Since 99% of these are low end printers your budgeted cost will be affected only slightly. Thankfully we have you under a blanket agreement that only charges you for actual meter clicks. The vendor is supplying toner without knowing your volumes. But at some time I suspect that the vendor will demand a meter reading.

It is important to understand the history of the print shop. Volume looks like it has been dropping. But that has not been the case in the past. In fact, quite the opposite, with equipment that was being overworked and burning out prior

to the end of the lease requiring the hospital to buy out the lease that was non-cancellable (Not with SPC). I believe we turned this around with equipment that is large enough for your needs. Also, you have a master lease that provides a great deal of flexibility for early upgrades.

Overall Budgeted Flexibility:

We have also built into your budget an Escrow fund. I will provide a separate spread giving you a history of all transactions. The balance as of today is \$28,618.71. This fund was established due to the need to acquire equipment periodically after the master lease was put into effect. Prior to SPC taking over the account, overlapping rentals were all over the hospital and much of this equipment not even located in the hospital anymore. We rectified this situation and had to buy out some overlapping rentals to set up one master lease. So if there is a need to acquire equipment then we simply pay cash. You will note that on page 158 that #112 machines are listed as owned by the hospital.

We look forward to our discussion next week.

Aging Equipment Summary

The following equipment is seven or more years from the date they were first offered for sale by the manufacturer. This is a major factor because availability of parts, cost of operation and warranties all become diminished at 10 years from the date of Intro. Usage, age, and service history need to be considered to see if they are due for replacement soon.

Expiring or Expired Xerox Service Contracts

The following Xerox solid-ink printers and/or multi-function units are under a pre-paid Service Contract that either has expired or will be expiring soon. Replacing these printers or purchasing a new service contract should be discussed.

Capital:

Presently, you have **one** lease at 8% that will be paid off. This will prevent an overlapping effect which causes major fluctuations from year to year. With the new arrangement, you will again have **one** 'master lease at 5.75% interest (Subject to Financials). Your first of five annual lease payments will be due on November 1st 2011. There will be a down payment of **\$16,910.85** which will be due in **April 15**.

Service & Supplies:

Considering all of your consumable cost centers including service you are averaging **\$0.014452 for black and \$0.10524 for Color**. The new contract will come in at a CPC of **\$0.006287 for Black and \$0.048942 for Color**.

Vendor Packages:

SPC has brought to you **Seven** different vendor combinations, matching up the best technology available to meet your needs. We would like to highlight the most qualified bid combination, which is **Ricoh USA (299 New Units) & Vary Technologies (#2 New Xerox Units)**.

<u>Cost Center</u>	<u>Present</u>	<u>Proposed</u>
1.Service & Supplies Color Photo only	\$89,870.44	\$41,803.06>>> Invoiced Quarterly in Arrears
2.Service & Supplies Black Photo only	\$204,452.66	\$85,037.78>>> Invoiced Annually 80% of projected-Reconciled End of Year
3. Forced Upgrades	\$53,700.00	\$00.00
4.Annual Muni Lease	\$138,498.33	\$229,858.24 Includes Data Wipe of Trade out units & \$30,000 Escrow
Totals	\$486,521.43	\$356,699.08
Annual Cost Savings		\$129,822.35
Five Year Cost Savings		\$649,111.75

The successful bidders will have a blanket servicing contract that includes all consumables excluding only staples and paper for all of the equipment that is under their factory authorized ability to service. They will provide one easy 'Cost per Copy' billing plan done once a year in June-July. Your service contract will be fixed through **June 30th 2012**. A contract extension has been negotiated for four more years, which will have an annual price ceiling of five percent or CPI, whichever is less. You however, only commit funds for one-year at a time to the servicing vendor. And even this scenario allows you to upgrade, lowering the service costs, if it is to your advantage to go out to bid at any time. SPC will set up both the service-supply contracts and the warranty cards with the successful bidding vendors.

Print Management Software included...Over \$80,000

Escrow Fund to be used to acquire Hot Swap units, flexibility during the install process (Additional Features needed) and to add equipment that may be needed during the contract term.

SPC Service & Supply Cost Savings

These tables compare your equipment cost per copy for service and supplies (black prints or copies only) before becoming an SPC client on 9/1/2006 with your projected cost per copy for the new fiscal year through SPC. Annual Volume represents actual 2012-13 fiscal year black print usage. The second table represents your annual and five-year cost savings compared to your previous cost per copy rate.

BEFORE SPC

Current Annual Volume	Average Prior CPC	Average Annual Charges
10,567,211	\$0.01385	\$146,355.87

CURRENTLY WITH SPC

Current Annual Volume	Current CPC (new year)	Average Annual Charges	Average Annual Cost Savings	Average 5-Year Cost Savings
10,567,211	\$0.00662	\$69,954.94	\$76,400.93	\$382,004.65

***Today the Cooperative Buying of SPC has netted annual cost savings,
on average, of \$76,400.93 x 7 years as a Client
= \$534,806.51 Cost Savings!***

Improved SPC Services

2012-2013 Simplified Billing Implemented

In January 2013, SPC developed the Simplified Billing Program, designed to streamline the invoicing process and further help to eliminate billing errors. Some of its features include:

TWO Pre-Billing invoices annually from ONE billing source. Benefits...

- One half of your projected annual volume is billed twice per year: July and January.
- No need to review pages and pages of confusing invoices from multiple vendors, whose systems produce a variety of invoicing formats.

Eliminate confusing variety of invoices from multiple vendors that come annually and/or quarterly. Benefit...

- Different vendors utilize different invoicing programs, producing a wide variety of lengthy and often confusing invoices; you receive each invoice directly from SPC, in one, easy to read format.
- Accompanying spreadsheets break out the totals owed for pre-billing or reconciliation by building or cost center to allow you to allocate costs to specific locations.

Standardized billing to eliminate chasing meter reads during the year. Benefits...

- Staff no longer need to collect color or low-end printer meter reads on a quarterly basis.
- Billing is based on previous year's actual usage.
- Most meter reads can now be captured electronically, with only a small handful of printers needing a manual meter reading, thus saving valuable staff time at the end of the fiscal year.

SPC's managed spreadsheet includes all copy and printing devices within your organization for all locations and all vendors. Benefits...

- Spreadsheets associated with each invoice show the itemized equipment in each location, the projected volume, and the semi-annual pre-billing or reconciliation.
- Again, one simplified invoice for all equipment and one billing source rather than multiple varied invoices from several billing sources.

SPC's Newest Service

SPC STAR Doc

Throughout the 2012-13 year, SPC designed, developed, and implemented a new online program that allows our clients to effectively manage all of their reprographic assets.

STAR Doc: System for Tracking and Reporting Documents. Benefits...

- Detailed floor maps identifying each copier and printer within your fleet, including make, model, serial number, meter read, building, and department.
- Online, real-time information daily.
- Allows you to project your usage in comparison with your budget to determine if you are on target or if you need to make some adjustments.
- Allows you to identify problem areas and address them immediately, before your annual billing invoice.
- All your SPC-related documents stored in one location: Five-Year Equipment Replacement Schedule, Compare Report, Total Bid Analysis, Annual Report.

At SPC we are always striving to improve our services and optimize our clients' resources. We are proud to be able to offer our clients all the benefits of the new **STAR Doc** system.

SPC's Service & Supply Contract – Purpose & Sample

In an effort to serve our clients better, at our own expense, SPC hired Bond Counsel to set up your Service & Supply Contract to ensure accuracy and protection to our Clients. Integrated into and tailored to mirror the Lease-Purchase Agreement, this contract protects equipment held as collateral under the Lease-Purchase Agreement or for equipment already owned and purchased outright.

Please note that this contract provides you with the option to upgrade your service contract with a 30-day termination notice. This provides you tremendous flexibility.

: **SERVICE AND SUPPLY CONTRACT**

The Vendor identified below of the equipment described at Exhibit A to Property Schedule No. 1 (the "Equipment") to a Master Lease-Purchase Agreement between M.S.T. Government Leasing, LLC, as lessor (the "Lessor") and Cheshire Medical Center, as lessee (the "Lessee"), commencing on April 01, 2011, (the "Lease-Purchase") hereby contracts with Lessee for the term of the Lease-Purchase (terminating on June 30, 2016) to provide comprehensive services, supplies, and maintenance to such Equipment, excluding only the cost of paper, transparencies, and staples, at a cost per copy per item of Equipment as shown on Schedule A attached hereto. Vendor shall provide a four-hour response time to all service calls.

On July 1 of each calendar year during the term of the Lease-Purchase, Vendor, at its option, may increase such costs per copy under this Service and Supply Contract (the "Contract") by 5% or by a percentage equal to the increase during the immediately preceding 12-month period of "The Consumer Price Index for All Urban Consumers (CPI-U) for the U.S. City Average for All Items, 1982-84 = 100," whichever is less.

On July 1 of each calendar year during the term of the Lease-Purchase, Vendor shall credit to Lessee any cost of this Contract prepaid by Lessee and unused by Lessee because fewer copies were made by Lessee during the Contract period ending on such July 1 than were originally estimated under this Contract to be made by Lessee during such period. If the Lease-Purchase is terminated prior to the end of its term, Vendor shall prorate and return to Lessee, within 30 days of such termination, any cost of this Contract prepaid by Lessee and unused by Lessee because of such early termination of the Lease-Purchase.

SPC's Dual-Layered Warranty – Purpose & Explanation

Reprographic equipment is expensive and does not hold its value. Therefore, it is crucial for you and the banking industry holding the collateral to secure this asset.

Our unique Dual-Layered Warranty guarantees a like-for-like no-charge replacement unit in the event of equipment not performing satisfactorily.

1. **Servicing Vendor**; implemented in 1988
2. **ESP Electrical**; implemented in 2007, all photocopiers with such units will be warranted from electrical damage by ESP.

ESPs (Electronic Surge Protectors) with our most recent upgrades are being installed by SPC on 40 CPM units and faster in order to cut down on approximately 30% of all service calls. These units will not only protect from electrical surges but will also filter out electronic noise that creates havoc with boards and the operation of your equipment.

WARRANTY

(LEASED EQUIPMENT)

The Vendor identified below of the equipment described at Exhibit A to Property Schedule No. 1 (the “Equipment”) to a Master lease-Purchase Agreement between M.S.T. Government Leasing, LLC, as lessor (the “Lessor”) and Cheshire Medical Center, as lessee (the “Lessee”), commencing on April 01, 2011, (the “Lease-Purchase”) hereby warrants to Lessee that, if any such Equipment malfunctions through no fault of Lessee during the term of the Lease-Purchase (terminating on June 30, 2016) and such Equipment cannot be repaired promptly, Vendor promptly will replace such Equipment with equipment which is equal to or superior in quality and capabilities to the Equipment being replaced, at no cost to Lessee.

The only exclusions to this Warranty are as follows:

1. This Warranty will expire for an item of Equipment when the life expectancy of such item of Equipment in number of copies, as shown on Schedule A(P) attached hereto, is exceeded;
2. This Warranty will expire for an item of Equipment at the date which is ten years after such Equipment was first offered for sale or lease by the manufacturer as shown on Schedule A(P) attached hereto.
