FLEET REPORT FY22**

SPC SUMMARY

This annual fleet report is a service SPC offers in order to stay ahead of problem or aging units under contract. It is designed to highlight areas of concern as well as determine how well your vendor is managing your fleet.

Out of 3 units under contract with Budget Document Technologies, there were no service calls on any of your copiers and printers during the fiscal year.

Your last upgrade was 8/2/2020. All machines are under a five-year+ warranty and service contract that expires on 6/30/2026. The average model in your fleet was introduced 5 years ago. None of your units are more than 7 years from date of intro. We monitor this detail because as models get more than 10 years out from date of introduction parts become harder to locate and repair times may be longer.
