In addition, we will implement google cloud print on all devices that will continue to cut back on your overall printing.

Capital:

Presently, you have **one** municipal lease that is already paid off. With the new arrangement, you will again have **one** 'municipal' master lease at 3.95% interest. Your first of five annual lease payments will be due on **August 1st 2019.**

The successful bidders will have a blanket servicing contract that includes all consumables excluding only staples and paper for all of the equipment that is under their factory authorized ability to service. They will provide one easy 'Cost per Copy' billing plan done twice a year in July & January with a reconciliation invoice in June. Your service contract will be fixed through **June 30th, 2020.** A contract extension has been negotiated for four more years, which will have an annual price ceiling of five percent or CPI, whichever is less. You however, only commit funds for one-year at a time to the servicing vendor. And even this scenario allows you to upgrade, lowering the service costs, if it is to your advantage to go out to bid at any time. SPC will set up both the service- supply contracts and the warranty cards with the successful bidding vendors.

Security package: Hard Drive Wipes are included in these prices.
