Kennebunkport Town Hall Office	Konica Minolta BHC658	A79J013007406	10	405,318	19,751	2.8	28.99	98.76%	8,834	Color Photocopier	1 service call on this copier was for poor quality; technician replaced the black drum. Another call was for noise in the fusing unit, which was resolved with lubrication. However, the remaining 8 calls were for jamming in the finisher, fusing unit, and doc feeder. These calls are being addressed with the vendor because the last service call in May resulted in the replacement of a number of major parts. This machine has been escalated to the vendor for immediate resolution.
