would like to personally thank you for your continued trust and confidence!

Skip Tilton, President

Billie Jo Tilton, Vice President

As co-founders of SPC, Billie Jo and I are very proud of our team of professionals. The concept of group purchasing to save millions has grown since 1988 into providing over 16 different managerial services that increase reliability and extend the life of your equipment. However, none of this would have been possible without the loyalty of over 117 clients (3200+ machines with 1.7 billion prints over five years). Together, we have realized the lowest prices possible while improving the quality of your service and

equipment.

Paul Garozzo

General Manager

As General Manager my goal is ensure our clients are pleased with our services and also provide solutions that are efficient, productive and reduce cost. With my 23 years in the copier industry, I will use my experiences to achieve this

Mike,

Overall your school district is doing well. Your mono prints are up slightly over last year and your color is down. However there is room for additional savings this fiscal year as our mono cpc's are very low with recent bids. With the addition of SPC STAR Doc this year and the lower cpc's, it is recommended that you consider an up upgrade in Q1 or Q2 of 2013. I look forward to continuing a great relationship with SAU 18.

Regards,

Skip

Aging Equipment Summary

The following equipment is seven or more years from the date they were first offered for sale by the manufacturer. This is a major factor because availability of parts, cost of operation and warranties all become diminished at 10 years from the date of Intro. Usage, age, and service history need to be considered to see if they are due for replacement soon.

Improved SPC Services

Print Management Software (MagicSoft) with its Benefits

In 2007 we initiated what is called **Print Management Software**. It was designed to capture meter reads and order supplies electronically on most, if not all, of your networked printing devices automatically. This software offers the following benefits:

Collect meter reads daily. Benefits...

- IT staff can isolate problem volume locations
- Monitor over-use or under-use locations and make the adjustments sooner
- Know when to shift from expensive laser and inkjet printers to low-cost-of-operation reprographic units
- Project cost on both black and color prints before the invoice arrives

Automatic ordering of consumable items. Benefits...

- Eliminate the need of valuable time spent ordering supplies manually

Automatic service alert sent to service provider. Benefit...

- E-mail sent out to both IT staff and service provider. Provider will then call to verify service need with IT staff to qualify the issue and send out a technician.

Cost per print plan for networking printing devices such as HP and Lexmark network printers. Benefits...

- Instead of individual expensive purchase of supply items, a cost-per-print quarterly in arrears at about half what you are currently paying will be offered.

SPC's Service & Supply Contract – Purpose & Sample

In an effort to serve our clients better, at our own expense, SPC hired Bond Counsel to set up your Service & Supply Contract to ensure accuracy and protection to our Clients. Integrated into and tailored to mirror the Lease-Purchase Agreement, this contract protects equipment held as collateral under the Lease-Purchase Agreement or for equipment already owned and purchased outright. Please note that it provides you with the option to upgrade your service contract with a 30-day termination notice. This provides you tremendous flexibility.

CONTRACT SAMPLE:

SERVICE AND SUPPLY CONTRACT (LEASED EQUIPMENT)

The Vendor identified below of the equipment described at Exhibit A to Property Schedule No. 1 (the "Equipment") to a Master Lease-Purchase Agreement between M.S.T. Government Leasing, LLC, as lessor (the "Lessor") and Client, as lessee (the "Lessee"), dated beginning date, (the "Lease-Purchase") hereby contracts with Lessee for the term of the Lease-Purchase (terminating on ending date) to provide comprehensive services, supplies, and maintenance to such Equipment, excluding only the cost of paper, transparencies, and staples, at a cost per copy per item of Equipment as shown on Schedule A attached hereto. In addition, for high-speed duplicators, Vendor may charge the cost shown on Schedule A attached hereto for masters used when the number of copies made by use of such masters is, on an annual average, fewer than 100. Vendor shall provide a four-hour response time to all service calls.

On July 1 of each calendar year during the term of the Lease-Purchase, Vendor, at its option, may increase such costs per copy under this Service and Supply Contract (the "Contract") by 5% or by a percentage equal to the increase during the immediately preceding 12-month period of "The Consumer Price Index for All Urban Consumers (CPI-U) for the U.S. City Average for All Items, 1982-84 = 100," whichever is less.

On July 1 of each calendar year during the term of the Lease-Purchase, Vendor shall credit to Lessee any cost of this Contract prepaid by Lessee and unused by Lessee because fewer copies were made by Lessee during the Contract period ending on such July 1 than were originally estimated under this Contract to be made by Lessee during such period. *If the Lease-Purchase is terminated prior to the end of its term, Vendor shall prorate and return to Lessee, within 30 days of such termination, any cost of this Contract prepaid by Lessee and unused by Lessee because of such early termination of the Lease-Purchase.*

SPC's Dual-Layered Warranty – Purpose & Explanation

Reprographic equipment is expensive and does not hold its value. Therefore, it is crucial for you and the banking industry holding the collateral to secure this asset.

Our unique Dual-Layered Warranty guarantees a like-for-like no-charge replacement unit in the event of equipment not performing satisfactorily.

1. **Servicing Vendor**; implemented in 1988
2. **ESP Electrical**; implemented in 2007, all photocopiers with such units will be warranted from electrical damage by ESP.

ESPs (Electronic Surge Protectors) with our most recent upgrades are being installed by SPC on 40 CPM units and faster in order to cut down on approximately 30% of all service calls. These units will not only protect from electrical surges but will also filter out electronic noise that creates havoc with boards and the operation of your equipment.

WARRANTY SAMPLE:

WARRANTY (LEASED EQUIPMENT)

The Vendor identified below of the equipment described on Schedule A(P) attached hereto (the "Equipment") sold by Vendor to _____ (the "Owner") hereby warrants to Owner that, if any such Equipment malfunctions through no fault of Owner during a term commencing on _____ and terminating on _____ and such Equipment cannot be repaired promptly, Vendor promptly will replace such Equipment with equipment which is equal to or superior in quality and capabilities to the Equipment being replaced, at no cost to Owner.

The only exclusions to this Warranty are as follows:

1. This Warranty will expire for an item of Equipment when the life expectancy of such item of Equipment in number of copies, as shown on Schedule A(P) attached hereto, is exceeded;
2. This Warranty will expire for an item of Equipment at the date which is ten years after such Equipment was first offered for sale or lease by the manufacturer as shown on Schedule A(P) attached hereto.
