Dear Sheila:

VISIT US ON THE WEB:
www.spccopypro.com

Once again, on behalf of our staff here at Specialized Purchasing Consultants, we wish to thank you for your continued confidence in us to provide our services to you and your organization. Our relationship is now 8 years strong, and we hope that your trust in us and this relationship will continue for many years to come.

Our Annual Report is designed to provide an overview of the recent past year's reprographic equipment usage and status. We provide recommendations based on the usage to address potential problem areas in order to avoid needless down time and improve equipment reliability for years to come.

Every year we look for new ways to improve our services to save our clients time, money, and effort. Over the past years we have implemented a number of new features, such as Simplified Billing, FM Audit automatic meter reading, SPC STARDoc and recently an IT Asset Management Program, where you can visualize all of your assets laid out on an interactive floor plan that will allow you to schedule out replacement units as needed.

During the upcoming year, we have even more services to offer by way of STARDoc. Some of those new features are listed on the "New Features" page of this report. During our in-person meeting with you to review this report, we will demonstrate those new features as well as discuss your suggestions to enhance STARDoc to be even more useful and beneficial to you and your IT staff. All of these new features are at no additional charge to you.

Thank you again for allowing SPC the opportunity to be of service. If you have any questions or are in need of more information, please let us know.

Sincerely,

Skip Tilton
President

As co-founders of SPC, Billie Jo and I are very proud of our team of professionals. The concept of group purchasing to save millions has grown since 1988 into providing over 16 different managerial services that increase reliability and extend the life of your equipment. However, none of this would have been possible without the loyalty of over 87 clients (3,800+ machines with 1.6 billion prints over five years). Together, we have realized the lowest prices possible while improving the quality of your service and equipment.

Dear Sheila,

Overall, things look good on paper, but it has been four years since your last upgrade and you will benefit from an onsite visit and perhaps an upgrade. We should begin the process in the spring of 2016. At that time you could address the 6 machines approaching the end of their warranty plus the 14 machines already of warranty.

In addition all of your machines service contract and warranties will run out on 6-30-2016. Perhaps there are other needs that an onsite visit may be able to address as well. It is always good to stay ahead of the reliability curve.

Sincerely,
Skip

Aging Equipment Summary

The following equipment is seven or more years from the date they were first offered for sale by the manufacturer. This is a major factor because availability of parts, cost of operation and warranties all become diminished at 10 years from the Date of Introduction. Usage, age, and service history need to be considered to see if they are due for replacement soon.

SERVICE AND SUPPLY CONTRACT - CLIENT

Specialized Purchasing Consultants ("SPC") hereby contracts with _____ ("Client") to provide comprehensive services, supplies, and maintenance to equipment described on Schedule A ("Equipment") using the Contracted Vendor shown below at a cost per print shown on said Schedule A, commencing on _____ and terminating on June 30, _____. This Service and Supply Contract ("Contract") shall exclude only the cost of paper, transparencies, and staples. Refer to Schedule A for Additional Provisions, if any.

SPC assumes responsibility for all billing and vendor payment. SPC shall invoice Client one-half of the annual projected number of pages multiplied by the cost per print listed on Schedule A. This semi-annual billing will take place July 1 and January 1. Actual meter reads will be collected by SPC either electronically or from Client staff during the month of June. A final Reconciliation spreadsheet and invoice will then be completed and sent to client. Upon payment of each billing invoice during the year, SPC will reimburse Contracted Vendor appropriately. Client is responsible for making payment in full within 30 days of said invoicing to avoid suspension of supplies by Contracted Vendor.

On July 1 of each calendar year during the afore-mentioned term, SPC shall credit Client any unused prepaid pages to Client if fewer copies were made by Client during the Contract period ending on or before June 30 annually than were originally estimated under this Contract for such period. If more pages were consumed than billed in the combined semi-annual billing, an overage invoice will be generated. Following semi-annual billing will be based on previous year volume.

On July 1 of each calendar year during the term of this Contract, SPC, at its option, may increase such costs per print under this Service and Supply Contract by 5% or by a percentage equal to the increase during the immediately preceding 12-month period of "The Consumer Price Index for All Urban Consumers (CPI-U) for the U.S. City Average for All Items, 1982-84 = 100," whichever is less.

Client may terminate Contract at any time with a 30-day written notice. Client will be required to provide final meter reads on all Equipment listed on Schedule A, including those added during the Contract term. Any credits owed to Client after reconciling actual usage versus projected will be paid to Client. Client must return any unused consumables to Contracted Vendor.

Benefits of partnering with SPC

Top Benefits to **our CLIENTS:**

1. Cooperative Buying

By definition, is a model that allows a group of buyers with a common interest to pool their buying power in order to negotiate more favorable pricing and better service. SPC's model allows you to pick your preferred vendor!

- SPC's pricing is so strong ***we pay for our own fee*** by acquiring prices lower than what you can do on your own.
- We will ***save you money*** benefiting from the combined purchasing power of more than 90 clients with over 3,443 devices doing more than 314 million copies and prints per year. In 2013 we purchased approximately 1,000 printing devices.
- We will ***save you time*** by preparing your bid, negotiating with vendors/manufacturers, presenting a total bid analysis and managing the implementation.
- We will ***save you frustration***. We manage your contracts for up to five years from the date of installation.

2. Exclusive STAR Doc Software

- Maps all devices and sets up "Interactive Live Floor Plans" of all printing devices, showing you a Before and After Upgrade look; provides a visual for all decision makers over the next five years.
- STAR Doc studies your printing habits and is able to predict your year-end cost months in advance, before you receive your year-end reconciliation invoice.
- Sets up your next year's budget at the click of a mouse.

3. Simplified Billing Program

- Removes the confusion out of billing.
- Eliminates variety of invoices from multiple vendors that come annually and/or quarterly.
- With SPC's Simplified Billing Program, TWO invoices are sent each year from ONE billing source.
- Reconciles all of your devices at the end of the year: You pay only for what you use; no minimums.

4. Five-Year Equipment Replacement Schedule

- SPC's staff surveys key locations that determine life of existing equipment.
- Specs out new equipment needed: Does not allow vendors to undersize during the bidding process.
- Manages the entire bid process down to the install.

5. Annual Report

- A crucial document that extends the life of your equipment, often getting 8 to 10 years of guaranteed performance! Flags copying trends within your organization such as over usage
- You get an overview of your current equipment situation, reports associated with copying and printing costs and, if needed, recommendations for addressing situations posing a problem

6. Vendor Neutral

- SPC does not recommend just one brand; we suggest what's best for you with serviceability in mind.
- We present you with the bid results and offer recommendations, yet the decision is yours to make.

SPC has been serving their clients since 1988, saving millions of dollars along the way.

Based on current actual volumes and CPCs, SPC has generated

Annual Savings of almost \$3.5 million for all of our clients.

That translates into Savings of more than \$17.2 million over five years!

Why do some vendors hesitate to bid?

- Vendors worry that bidding will reduce their margins.

- SPC bids are designed to keep specs equal for all, no chance of providing a lesser piece of equipment.

SPC manages over 3,700 pieces of equipment;
