CONTRACT

THIS CONTRACT (the "Contract") is made this 31st day of , 2019 by and between Specialized Purchasing Consultants ("Contractor" or "SPC") and NHSAU 42 - Nashua School District ("Client"). For and in consideration of the mutual covenants and performance set forth herein, Contractor and Client agree as follows

1. **Term.** The term of this Contract is five years from the date hereof, unless earlier terminated pursuant to the terms hereof. Client or SPC can terminate this Contract at any time for any reason after one year, upon 30 days written notice to the other party to this Contract, following completion by the Client of the issuance of a lease, purchase, lease-purchase, financing, or refinancing to replace, add, or upgrade equipment covered by this Contract ("an Upgrade"). If such an early termination is effected by Client or SPC, Client and SPC shall reconcile fairly all amounts due for services performed under the Contract.

21.

Fees.

The fees payable by Client to Contractor under this Contract are: (a) ^{TEN}~~eleven~~ percent (^{10%}~~11%~~) of the Total Cost Per Copy of all copies scheduled to be made on all service and supply agreements for reprographic equipment (Photocopiers, High-Speed Duplicators, Multi-functional Duplicating Equipment, High End Network Printers, or other equipment described in the Five Year Equipment Replacement Schedule referenced in subparagraph (l) hereof) leased, purchased, lease-purchased, financed, or refinanced by Client as a result of services performed by Contractor under this Contract (in other words, if the Total Cost Per Copy for services and supplies for equipment leased, purchased, lease-purchased, financed, or refinanced as a result of services performed by Contractor under this Contract is \$.003 per scheduled copy, the Contractor's fee is \$.00033 per such copy); and (b) ^{TEN}~~eleven~~ percent (^{10%}~~11%~~) of the principal amount (purchase price financed) of all such reprographic equipment (in other words, if the total principal amount of reprographic equipment leased, purchased, lease-purchased, financed, or refinanced by Client as a result of services performed by Contractor under this Contract is \$3,000, the Contractor's fee is \$330). The "Total Cost Per Copy" for equipment covered by this Contract is defined as the total cost per copy scheduled to be charged for service and supply contracts between Client and servicing vendors for equipment acquired by Client as a result of services performed by Contractor under this Contract. Excluded from such service and supply contracts are the cost of paper and the cost of staples. No fees are payable by Client to Contractor hereunder, other than the retainer described in Paragraph 8 hereof, unless Client accepts a bid for reprographic services arranged by Contractor pursuant to this Contract, or unless Client breaches this Contract under Paragraph 4 hereof or otherwise.

Low End Network Printers (LENP) will be administered under separate contracts with the Vendors of such LENPs. Due to the limited volume done on LENPs, Contractor's fee will be Twenty-Five percent (25%) of the Vendor's fee per copy on the LENP. For example if the Total Cost per Copy ("TCPC") negotiated with a Vendor for a LENP is \$0.007, then the Contractor's fee is \$0.00175 for a Total cost to the Client of \$0.00875 per copy on the LENP.

SPC guarantees to improve the quality of your equipment and service as well as lower the cost of obtaining and operating reprographic equipment, even after SPC's fees have been included in the new total cost. If SPC fails to achieve this, SPC will terminate our Contract, refund SPC's retainer received from Client, and provide an additional \$500.00 check to Client to cover any loss of time on Client's part.

3. **Services Performed By Contractor:** (See Addendum B for a Complete list of services for both Vendor and Client)
 - a. **Initial Needs and Capabilities Analysis.** Contractor will provide to Client a written Initial Needs and Capabilities Analysis (contained within the Five Year Equipment Replacement Schedule described in subparagraph (l) hereof) analyzing Client's existing reprographic system including Client's current photocopiers, offset presses, high-speed duplicators, Low End Network Printers, and outside printing requirements. Based on this Initial Needs and Capabilities Analysis, Contractor will design, with Client's approval, an overall reprographic system for Client, with the goal of increasing Client's reprographic capabilities, while reducing Client's reprographic costs. Specifically, throughout the term of this Contract, Contractor will provide Client with initial long-term service and supply contract savings and capital savings of up to two-thirds of retail. Annually hereunder, Contractor will provide Client with guaranteed ceilings on any annual price increases for service and supply contracts covering equipment obtained under this Contract of 5% or the annual increase in the Consumer Price Index (CPI-U), whichever is less.
 - b. **Annual Use Report.** Annually hereafter, Contractor will provide to Client a written Annual Use Report analyzing the use of reprographic equipment and services and supplies by Client, with recommendations that identify for Client how to use such equipment, services and supplies, and other items in the most efficient and effective manner possible.
 - c. **Two-Year Needs and Capabilities Analysis.** Every two years hereafter, Contractor will perform a Needs and Capabilities Analysis for Client covering the same matters contained in the Initial Needs and Capabilities Analysis. Client must provide written authorization to Contractor to perform the Two-Year Needs and Capabilities Analysis, and such written authorization may be provided by the Superintendent of Schools or Business Manager (or similar officer) of Client pursuant to this Contract.
 - d. **Bid Specifications.** Based on the results of the Initial Needs and Capabilities Analysis, Annual Use Report, and Two-Year Needs and Capabilities Analysis, as applicable, Contractor will prepare and distribute bid specifications to qualified contractors to obtain for Client reprographic equipment and services desired by Client.

- c. **Selection of Vendors.** Contractor will analyze all bids received by Client for reprographic equipment and services pursuant to subparagraph (d) above and make recommendations to Client regarding how Client can obtain the most effective and lowest-cost reprographic equipment and services.
 - f. **Negotiation With Vendors.** After bids described in subparagraph (e) above are received, if further negotiation with vendors on behalf of Client is desired by Client, Contractor will undertake such negotiations with vendors at Client's direction so that contracts in compliance with Client's requirements can be executed.
 - g. **Financing.** Contractor will arrange, at no cost to Client, tax-exempt lease-purchase financing (for tax-exempt Clients) or other appropriate financing for the reprographic equipment selected by Client. Contractor shall submit all transactions to Contractor's bond counsel listed in the Bond Buyer's Municipal Marketplace ("Bond Counsel"), for the preparation of all documents, for legal compliance review, and for the provision of any legal validity and tax opinions necessary to complete and finance such transactions. In addition, Client may arrange for its own counsel ("Issuer Counsel") to participate in the transaction, at Client's cost, or the Client may choose to effect its own financing, at its own cost.
 - h. **Assumption of Existing Contracts.** Contractor will assume all financial obligations and hold Client harmless from such obligations under all existing contracts, leases, or financing agreements to which Client is a party for equipment being replaced by equipment being leased, purchased, lease-purchased, financed, or refinanced pursuant to this Contract. In order to facilitate the payment by Contractor of all obligations of Client under such contracts, leases, or financing arrangements, Client hereby authorizes Contractor, to change the billing addresses on such contracts, leases, or financing arrangements to the business address of Contractor. Client also agrees to hold Contractor harmless for, and to pay, any shipping costs back to a vendor or leasing company, or storage costs for such equipment, or any Federal, State, or local taxes lawfully assessed and due, now or hereafter, upon all equipment covered by such contracts, leases, or financing agreements being repaid by Contractor pursuant to this Contract.
 - i. **Cancellation and Renegotiation of Existing Service Contracts and Establishing New Service Contracts.** Contractor, at Client's direction, will cause existing service and supply contracts for existing reprographic equipment used by Client to be cancelled, and will negotiate new service and supply contracts at new terms acceptable to Client, including replacement warranties from vendors for all equipment identified by Client.
 - j. **Annual Monitoring of Service Contracts.** During the term of this Contract, Contractor will monitor annually all reprographic service and supply contracts entered into by Client to verify correct billing and to identify over-usage and under-usage of particular equipment.
 - k. **Installation of Equipment.** After contracts have been awarded to vendors for reprographic equipment pursuant to this Contract, Contractor will communicate with such vendors to assure proper installation of equipment pursuant to the terms of any applicable lease-purchase or other financing agreement and to assure proper commencement of service and supply contracts.
 - l. **Provision of Equipment Replacement Schedule.** Contractor will provide to Client, and will update as necessary, a Reprographic Equipment Replacement Schedule (a "Five Year Equipment Replacement Schedule") for all equipment to be replaced, reconditioned, upgraded, or otherwise covered by this Contract.
 - m. **Provision of Key Operator Instruction Forms.** Contractor will provide Client with a Key Operator Instruction Form for posting adjacent to each copying machine of Client describing proper use, key operator name, machine serial number, life expectancy of such machine, location and telephone number of vendor's service manager, and warranties for the machine.
4. **Exclusive Agency for Bidding and Selection of Vendors and Equipment.** All bidding, analysis, and selection of vendors and equipment by Client pursuant to this Contract shall be effected exclusively through Contractor. If, during the term of this Contract, Client executes a contract separate from Contractor with any vendor to provide services or equipment such as that covered by this Contract, then Client shall be in breach of this Contract and shall pay to Contractor all fees due and unpaid by Client to Contractor under this Contract, including all fees which would have been payable by Client to Contractor under this Contract had Client accepted a bid meeting the terms of this Contract and arranged by Contractor for Client under this Contract, plus all costs including attorney's fees incurred by Contractor to collect such fees. If Client rejects all of the bids arranged by Contractor for Client pursuant to this Contract, then Contractor shall be allowed exclusively to re-bid for Client the services and equipment desired by Client according to Client's specifications. Client's Initials here acknowledge that Client carefully has reviewed the terms of this Paragraph 4 applicable to Client under this Contract.
5. **Warranties.** Throughout the term of this Contract, Contractor will obtain for Client from vendors five-to- ten-year average warranties on all new equipment obtained for Client under this Contract, five-year average warranties for all reconditioned equipment obtained for Client under this Contract, and three-to-five year average warranties for all existing equipment of Client left in place and monitored by Contractor under this Contract.
6. **Equipment Upgrades and Adjustment of SPC Fees.** If any equipment which is covered by this Contract is upgraded or replaced during the term of this Contract, then Total Cost Per Copy fees payable by Client to Contractor under paragraph 2(a) above shall be adjusted by the net increase or decrease in copy volume from the original copy volume negotiated by Contractor for Client pursuant to this Contract. (For example, three years after execution of this Contract, Contractor is asked to do an Upgrade by Client on certain of Client's equipment. After the Upgrade is approved by Client, total copy volume on Client's equipment is scheduled to be 2,000,000 copies per year for the remaining two years of this Contract

instead of the 1,500,000 copies per year originally scheduled under this Contract. Under such circumstances, Contractor would be entitled to receive its fee under paragraph 2(a) above for the additional 500,000 copies per year scheduled under the Upgrade for the remaining two years of the Contract).

7. **Retainer.** Upon execution of this Contract, Client agrees to pay Contractor a retainer of \$1,000.00 (Waived for an existing client). This amount shall be credited in its entirety, however, to any fee earned by Contractor on an Upgrade of reprographic equipment or services by Client pursuant to this Contract.

Overall Description of Equipment Fleet:

Presently, you have **4 manufacturers & 51 different models** of printers and copiers using different supplies and print drivers. The fleet of printer's ranges from 1999 intro dates to 2019 intro dates. The **new arrangement** (Phase 1: 8-1-2020. Phase 2: 8-1-2023) will allow us to replace the machines with the highest volume now and replacing the rest in 2023. We have locked in actual numbers for Phase 2. In this way, the vendors would see 100% of the fleet go out to bid now, with the district only committing to replacing a portion in this coming fiscal year. Ex. SPC Equipment Bids: Presently our bids are coming in between 12% to 17% of Retail, while the current Salesman's Cost is 50% of Retail.

The new printers being purchased are in the highest volume locations. That will replace many of the medium volume printers in the district, allowing the existing printers to be reallocated to other locations as IT deems fit. We recommend that the oldest printers in the district such as the HP 4100, 4200 series devices be removed as they are over 15 years old.

Print Management: STARDoc for all devices. Additionally, 2 OCR Modules will be purchased to allow scanning of documents that are searchable.

Capital:

Presently, you have **one** municipal lease and **one** SPC internal lease that will be paid off on August 1st, 2020. With the new arrangement, you will again have **one** municipal master lease at 3.34% interest. Your first of five annual lease payments will be due on **August 1st, 2021**. A down payment of **\$338,000.00** will be due 8/2/2020 with **\$119,250.00** being applied in 2020 and the balance of **\$218,750.00** being applied in 2023.

Service & Supplies:

Considering all your consumable cost centers including service you are averaging **\$0.00397 for black and \$0.070058 for Color**. The new contract will come in at a CPC of **\$0.003549 for Black and \$0.053564 for Color**.

Vendor Packages:

SPC will bring you multiple different vendor combinations, matching up the best technology available to meet your needs. We would like to highlight the most qualified bids combination for your School District:

<u>Cost Center</u>	<u>Present</u>	<u>FY20 KMBS (KM)</u>	<u>FY 21 KMBS (KM)</u>	<u>FY 23 KMBS (KM)</u>
1. Service & Supplies Color:	\$109,050.97	\$82,974.83	\$82,974.83	\$82,974.83 #
2. Service & Supplies Black:	\$115,422.39	\$102,865.41	\$102,865.41	\$102,865.41 #
3. Annual Muni Lease:	\$100,646.36	\$100,646.36	\$105,874.34	\$105,786.36
4. Forced Upgrades (121 Owned):	\$44,825.00	\$00.00	\$00.00	\$00.00
Totals:	\$369,944.72	\$286,486.60	\$291,714.58	\$291,626.60

* Note that with your current Lease, only **84 New units** were purchased while **146 New units** are included in Phase 1, Phase 2 includes **76** machines.

#Service and Supplies costs may fluctuate due to cost of living increases and change in printing volume.

The successful bidders will have a blanket servicing contract that includes all consumables excluding only staples and paper for all the equipment that is under their factory authorized ability to service. They will provide one easy CPC billing plan done twice a year in July & January with a reconciliation invoice in June. Your service contract will be fixed through **June 30th, 2021**. A contract extension has been negotiated for four more years, which will have an annual price ceiling of five percent or CPI, whichever is less. You, however, only commit funds for one-year at a time to the servicing vendor. And even this scenario allows you to upgrade, lowering the service costs, if it is to your advantage to go out to bid at any time. SPC will set up both the service- supply contracts and the warranty cards with the successful bidding vendors. **Security package:** Hard Drive Wipes are included in these prices.

RE: SPC Simplified Billing

Dear Client:

Why Simplified Billing? Quite simply, our clients were receiving different hard-to-read invoice styles, monthly or quarterly invoicing, partial fleet billing at random times of the year, and other confusing invoicing practices from their vendors. SPC found it necessary to simplify the process to ensure our clients are being charged accurately.

From 1989 to 2012, SPC allowed vendors to handle the billing directly with the client. As mentioned above, vendors had their own way of invoicing, which created a great deal of confusion. Clients would often pay without confirmation of the charges to avoid interruption of service or supplies. We spent numerous administrative hours sorting out the billing for those clients who did question their invoices.

In 2013, we simplified the billing process *at no additional cost to you* as follows:

- **Invoice #1**: Billed out July 1 for 50% of previous year's usage in advance.
- **Invoice #2**: Billed out January 1 for remaining 50% of usage in advance.
- **Invoice #3**: Reconciliation of actual usage vs. prepaid against Invoices 1 and 2, showing all credits and charges along with corresponding meter reads, usage and cost per print for each machine under contract.

The cycle begins again on July 1 for the next fiscal year. Just three, easy-to-read invoices per year. Simple, and consistent. Both clients and vendors have repeatedly expressed their gratitude as Simplified Billing has expedited the payment process and increased the confidence level to all parties.

Feel free to share your thoughts on the Simplified Billing process, or any of our other free services, with us at any time.

Regards,

Skip Tilton

SERVICE AND SUPPLY CONTRACT - CLIENT

M.S.T. Government Leasing, LLC (M.S.T.) hereby contracts with NHSAU 42 - Nashua School District ("Client") to provide comprehensive services, supplies, and maintenance to equipment described on Schedule A ("Equipment") using the Contracted Vendor shown below at a cost per print shown on said Schedule A, commencing on August 2, 2020 and terminating on June 30, 2026. This Service and Supply Contract ("Contract") shall exclude only the cost of paper, transparencies, and staples. Refer to Schedule A for Additional Provisions, if any.

M.S.T. assumes responsibility for all billing and vendor payment. M.S.T. shall invoice Client one-half of the annual projected number of pages multiplied by the cost per print listed on Schedule A. This semi-annual billing will take place July 1 and January 1. Actual meter reads will be collected by M.S.T. either electronically or from Client staff during the month of June. A final Reconciliation spreadsheet and invoice will then be completed and sent to client. Upon payment of each billing invoice during the year, M.S.T. will reimburse Contracted Vendor appropriately. Client is responsible for making payment in full within 30 days of said invoicing to avoid suspension of supplies by Contracted Vendor.

On July 1 of each calendar year during the afore-mentioned term, M.S.T. shall credit Client any unused prepaid pages to Client if fewer copies were made by Client during the Contract period ending on or before June 30 annually than were originally estimated under this Contract for such period. If more pages were consumed than billed in the combined semi-annual billing, an overage invoice will be generated. Following semi-annual billing will be based on previous year volume.

On July 1 of each calendar year during the term of this Contract, M.S.T., at its option, may increase such costs per print under this Service and Supply Contract by 5% or by a percentage equal to the increase during the immediately preceding 12-month period of "The Consumer Price Index for All Urban Consumers (CPI-U) for the U.S. City Average for All Items, 1982-84 = 100," whichever is less.

Client or M.S.T. may terminate Contract at any time with a 30-day written notice. Client will be required to provide final meter reads on all Equipment listed on Schedule A, including those added during the Contract term. Any credits owed to Client after reconciling actual usage versus projected will be paid to Client. Client must return any unused consumables to Contracted Vendor.

Voted: The Superintendent of Schools is authorized to execute and deliver a tax-exempt lease purchase agreement with M.S.T. Government Leasing, LLC in the name and on behalf of the **Nashua School District** (the “Issuer”), for the purpose of refunding and refinancing existing lease purchases of photocopier equipment and lease purchasing additional new and reconditioned photocopier equipment, any service agreements specifically financed in connection with certain equipment, consulting fees, and related costs of issuance, with an aggregate purchase price not exceeding **Four Hundred Eighty Thousand, Two Hundred Forty-Four Dollars and Sixty Cents (\$480,244.60)**, at a rate of interest of not more than **3.34%** per year through **August 1st, 2025**, and otherwise in such form as the Superintendent may approve; and that the appropriate officials of the Issuer be and hereby are authorized to execute and deliver on behalf of the Issuer such other documents and certificates as may be required in connection with such tax-exempt lease purchase agreement; and that no part of the proceeds of said tax-exempt lease purchase agreement shall be used, directly or indirectly, to acquire any securities or obligations, the acquisition of which would cause the tax-exempt lease purchase agreement to be a “private activity bond” or an “arbitrage bond” within the meaning of Sections 141 and 148, respectively, of the Internal Revenue Code of 1986, as amended (the “Code”); and that the tax-exempt lease purchase agreement issued pursuant hereto be designated as a qualified tax-exempt obligation within the meaning of Section 265(b)(3)(B) of said Code; and that the Superintendent be and hereby is authorized to covenant on behalf of the Issuer to file any information report and pay any rebate due to the United States in connection with the issuance of said tax-exempt lease purchase agreement, and to take all other lawful actions necessary to insure that the interest portion of the rental payments under and pursuant to the tax-exempt lease purchase agreement will be excluded from the gross income of the owners thereof for purposes of federal income taxation and to refrain from taking any action which would cause such interest portion of the rental payments to become includable in the gross income of the owners thereof. The School Board of the Issuer also authorizes the Superintendent of Schools of the School District to sign the attached Contract with Specialized Purchasing Consultants, Inc. relating to acquisition of photocopying equipment for the Issuer and authorizes such persons to make any elections under the Contract not exceeding the aggregate purchase price of this authorizing Vote.

Municipal Lease Purchase Agreement

M.S.T. Government Leasing LLC, a New Hampshire Limited Liability Company with a principal location in Dummer, New Hampshire, (the "Lessor"), and the Lessee, indicated on Schedule A attached hereto (the "Lessee") agree to the lease of equipment subject to the terms of this Agreement and all schedules attached hereto (collectively referred to as the "Lease").

In consideration of the mutual covenants herein contained, the parties covenant and agree as follows:

1. **EQUIPMENT.** Lessor agrees to lease to Lessee and Lessee agrees to lease from Lessor the equipment listed in Schedule F together with any replacement parts, additions, repairs or accessories now or hereafter permanently incorporated in or affixed to it (the "Equipment") on the terms and conditions set forth herein.
2. **TERM.** The term of this Lease is set forth in Schedule A (the "Lease Term")
3. **COMMENCEMENT AND EXPIRATION.** This Lease shall commence upon Lessee's acceptance of the Equipment (the "Commencement Date") and continue until the earlier of (i) the end of the Lease Term; (ii) a permitted termination pursuant to Non-Appropriation of Funds (Paragraph 17); (iii) Lessor's termination of the Lease after Default (Paragraph 19) or (iv) Lessee's proper exercise of its option (Paragraph 20). Lessor shall have no obligation to Lessee under this Lease if the Equipment, for whatever reason, is not delivered to Lessee within 90 days after Lessee signs this Lease. Lessor shall have no obligation to Lessee under this Lease if Lessee fails to execute and deliver to Lessor an "Acknowledgment and Acceptance of Equipment by Lessee" form within 30 days after the Equipment is delivered to Lessee.
4. **ACCEPTANCE OF EQUIPMENT.** Lessee agrees to immediately inspect the Equipment upon receipt of the Equipment and to execute an "Acknowledgment and Acceptance of Equipment by Lessee" form, in the form attached hereto as Schedule B, after the

Equipment has been delivered and after Lessee is satisfied that the Equipment is satisfactory as of the time of inspection in every respect, excluding latent or unknown defects. The "Acknowledgment and Acceptance of Equipment by Lessee" form must be promptly executed and delivered to Lessor within 30 days after the Equipment is delivered to Lessee.

5. **CONVENANTS OF LESSEE.** Lessee represents and warrants to Lessor that as of the date of this Lease and throughout the term of this Lease:
- (a) Lessee is a public body, politic and corporate within the State in which it is located;
 - (b) Lessee is duly organized and existing under the Constitution and laws of said State, and is duly authorized to execute and carry out its obligations under this Lease;
 - (c) This Lease including all schedules and amendments hereto have been duly authorized, executed and delivered by Lessee;
 - (d) Lessee will comply with all applicable provisions of the Internal Revenue Code of 1986, as amended (the "Code") and the regulations of the Treasury Department thereunder, from time to time proposed or in effect, in order to maintain the excludability from gross income for federal income tax purposes of the interest component of payments under this Lease and will not use or permit the use of the Equipment in such a manner as to cause this Lease to be a "private activity bond" or an "arbitrage bond" under the Code; and
 - (e) No provision of this Lease constitutes a pledge of tax or general revenues of Lessee and all lease payments hereunder shall constitute current expenses of the Lessee.
6. **PAYMENTS: AMORTIZATION SCHEDULE.** Lessee agrees to promptly pay the total rent equal to the "Payment Amount" as set forth in Schedule A multiplied by the number of payments specified in "No. of Payments" as set forth in Schedule A. Payments will be made in advance and periodically as specified in Schedule A. Payments shall be made by Lessee at Lessor's address set forth above, or as otherwise directed by the Lessor. Lessee shall not abate, set off, deduct any amount, or reduce any payment for any reason. The first payment shall be due on the date of the date of acceptance of the Equipment by Lessee, and subsequent payments shall be due on the same day of each succeeding pay period throughout the term of the Lease. If any Payment is not received by Lessor within thirty (30) days after the Payment Date, then Lessee shall pay to Lessor a late payment fee of five percent (5%) of the amount of such delinquent Payment. Lessee agrees that the Amortization Schedule delivered or to be delivered to Lessee shall be incorporated into this Lease. Lessee shall be deemed to have agreed to such Amortization Schedule as of the Commencement Date.

7. **DISCLAIMER OF WARRANTIES AND CLAIMS, LIMITATION OF REMEDIES.**

THERE ARE NO WARRANTIES BY OR ON BEHALF OF LESSOR. Lessee acknowledges and agrees as follows:

- (a) **LESSOR MAKES NO WARRANTIES EITHER EXPRESSED OR IMPLIED AS TO THE CONDITION OF THE EQUIPMENT, ITS MERCHANTABILITY, ITS FITNESS OR SUITABILITY FOR ANY PARTICULAR PURPOSE, ITS DESIGN, ITS CAPACITY, ITS QUALITY, OR WITH RESPECT TO ANY CHARACTERISTICS OF THE EQUIPMENT;**
- (b) Lessee has fully inspected the Equipment, which it has requested Lessor to acquire and lease to Lessee, and the Equipment is in good condition and to Lessee's complete satisfaction as of the time of inspection, excluding latent or unknown defects;
- (c) Lessee acknowledges that the Equipment is leased to Lessee solely for the purpose of performing essential governmental uses and public functions of Lessee within the permissible scope of Lessee's authority and will not be used in a trade or business;
- (d) If the Equipment is not properly installed, does not operate as represented or warranted by the Supplier or manufacturer, or is unsatisfactory for any reason, regardless of cause or consequence, Lessee's only remedy, if any, shall be against the Supplier or the manufacturer of the Equipment and not against the Lessor;
- (e) Provided Lessee is not in default under this Lease, Lessor assigns to Lessee any warranties made by the Supplier or the manufacturer of the Equipment;
- (f) **LESSEE SHALL HAVE NO REMEDY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES AGAINST LESSOR; and**
- (g) **NO DEFECT, DAMAGE, OR UNFITNESS OF THE EQUIPMENT FOR ANY PURPOSE SHALL RELIEVE LESSEE OF THE OBLIGATION TO MAKE LEASE PAYMENTS OR RELIEVE LESSEE OF ANY OTHER OBLIGATION UNDER THIS LEASE.**

8. **NON-ASSIGNMENT.** Lessee agrees that it shall not assign, sublease, pledge or transfer this Lease or sublease the Equipment or any interest therein, or otherwise dispose of the Equipment referenced in this Lease without the prior written consent of the Lessor.

9. **RELATION BETWEEN THE LESSOR AND THE SUPPLIER.** Lessee understands and acknowledges that no broker or Supplier or any agent of such is an agent of Lessor. No Supplier or agent of such is authorized to waive or alter any term or condition of this Lease

and no representation as to the Equipment made by a Supplier or agent of same shall affect Lessee's duty to pay Lessor the lease payments hereunder.

10. **LOCATION.** The Equipment shall be kept at the location set forth in Schedule A and may not be removed without Lessor's prior written consent.
11. **USE.** Lessee shall maintain the Equipment in good operating condition in the same configuration as when accepted, shall use the Equipment solely in the manner for which it is intended and reasonably in compliance with the manufacturer instructions, shall make all necessary repairs at Lessee's expense, shall reasonably comply with all laws relating to its possession, use or maintenance, and shall not unreasonably make any alterations, additions or improvements to the Equipment without the Lessor's prior written consent. Lessee further agrees to comply with all license and copyright requirements of any software used in connection with the Equipment.
12. **OWNERSHIP; TITLE.** Title to the Equipment shall pass to Lessee upon Lessee's acceptance of the Equipment pursuant to this Lease, subject to the rights of Lessor under this Agreement. To secure the payment of Lessee's obligations under this Lease, Lessee grants to Lessor a security interest constituting a first lien on the Equipment and on all additions, attachments, accessions and substitutions thereto, and on any proceeds therefrom. Lessee agrees to execute such additional documents, including a UCC-1 financing statement in the appropriate office of Lessee's state and similar instruments, in form reasonably satisfactory to Lessor, which Lessor deems necessary or appropriate to establish and maintain a security interest, and upon assignment, the security interest of any assignee of Lessor. Lessor agrees to provide the Equipment to Lessee free of liens, attachments and other encumbrances. All additions, repairs or improvements made to Equipment shall belong to Lessee, subject to the rights of Lessor under this Lease.
13. **SURRENDER.** At the expiration of the Lease Term, should the Lessee choose not to exercise its option to purchase the Equipment, the Lessee, at its expense, shall return the Equipment in good repair, ordinary wear and tear excepted, by delivering it packed, if applicable, and ready for shipment to the Supplier or such other location as is agreed to by the parties.
14. **LOSS OR DAMAGE.** Lessee shall at all times after signing this Lease bear the entire risk of loss, theft, damage or destruction of any part of the Equipment from any cause whatsoever and no loss, theft, damage or destruction of the Equipment shall relieve Lessee of the obligation to make lease payments hereunder or to comply with any other obligation of this Lease. In the event of damage to any part of the Equipment, Lessee shall immediately place the same in good repair at Lessee's expense. If Lessor determines that any part of the Equipment is lost, stolen, destroyed, or damaged beyond repair, Lessee shall, at Lessee's option, do one of the following:

- (a) Replace the same with like equipment in good repair of comparable function, capacity and features, reasonably acceptable to Lessor in which event this Lease shall continue and the replacement equipment shall constitute Equipment for all purposes of this Lease; or
- (b) Pay Lessor in cash the following: (i) all amounts due from Lessee to Lessor under this Lease up to the date of the loss; and (ii) the accelerated balance of the total amounts due for the remaining term of this Lease attributable to said item, discounted to its net present value at a simple interest rate equal to the interest rate set forth on Schedule A and resulting in the amortization of principal and interest as set forth in the attached Amortization Schedule. Upon Lessor's receipt of payment set forth above, Lessee shall be entitled to the Equipment with any warranties made by the Supplier or manufacturer but without any warranties from Lessor. If insurance proceeds are used to fully comply with this subparagraph, the balance of any such proceeds shall go Lessee to compensate for loss of use of the Equipment for the remaining term of the Lease.
15. **INSURANCE; LIENS; TAXES.** The Lessee shall at its own expense and for the term of this Lease provide and maintain insurance against loss, theft, damage or destruction of the Equipment in an amount not less than the full replacement value of the Equipment, naming Lessor or its assignee as the loss payee to the extent of Lessor's interest. Lessee also agrees to name Lessor as an additional insured on Lessee's comprehensive general all-risk liability policy or public liability policy, insuring Lessor and Lessee against any and all loss or liability for all damages, either to property, persons or otherwise, which might result from the condition, use or operation of the Equipment, with such limits and with an insurer satisfactory to the Lessor. The Lessee's obligation under this paragraph is limited by the Lessee's limits of liability and substantive areas of liability under the Maine Tort Claims Act or its limits and areas of liability under its insurance, whichever is greater. Each policy shall expressly provide that said insurance as to Lessor and its assigns shall not be invalidated by any act, omission, or neglect of Lessee and cannot be canceled without 30 days' prior written notice to Lessor. As to each policy Lessee shall furnish to Lessor a certificate of insurance from the insurer, which certificate shall be evidence the insurance coverage required by this paragraph. Lessor shall have no obligation to ascertain the existence of or provide any insurance coverage for the Equipment or for Lessee's benefit. Lessee agrees to keep the Equipment free and clear of all liens and encumbrances and to pay any and all charges and taxes imposed by local, state or federal law or authorities arising out of ownership, leasing, rental, sale, purchase, possession or use of the Equipment. If Lessee causes or allows events to happen that change the interest income tax-exempt status of this Lease, as provided in the Internal Revenue Code of 1986, as amended, Lessee agrees to pay the "taxable interest rate" retroactive to its Commencement Date. The "taxable interest rate" is defined as that rate that results in the same after-tax yield to the Lessor, or its assigns, as the tax-exempt rate on this Lease, or the highest rate permitted by law, whichever is less.

16. **ASSIGNMENT BY LESSOR.** Lessee agrees that Lessor may assign this Lease after providing written notice to the Lessee of the assignment. Should the Lessor choose to assign the Lease, the assignee shall have all rights and obligations originally afforded Lessor under this Lease. Lessee shall recognize and hereby consents to any assignments of this Lease.
17. **NONAPPROPRIATION OF FUNDS.** In the event no funds or insufficient funds are appropriated and budgeted for lease payments due under this Lease, the Lessee may elect to terminate this Lease in accordance with this paragraph. Lessee's election to terminate must be exercised by delivering its prior written notice of its intent to terminate together with a certified statement by an authorized official indicating that insufficient sums have been appropriated for the ensuing fiscal year of the Lessee. In the event of such termination, Lessee agrees to peaceably surrender the Equipment to Lessor or its assignee on the date of such termination, packed for shipment in accordance with manufacturer's specifications, if applicable, and sent prepaid and insured to the location as is agreed to by the parties. Lessor shall have all legal and equitable rights and remedies to take possession of the Equipment. Termination under this Paragraph 17 shall be effective upon the expiration of the applicable fiscal year of the Lease and payment of all lease payments during that fiscal year. Lessee's exercise of its rights under this Paragraph 17 shall not affect the survival of any other provisions (other than the obligation to make lease payments beyond the applicable fiscal year) which survive the termination of the Lease.
18. **ESCROW ACCOUNT.** At the option of the Lessor, an escrow account may be created at Franklin Savings Bank to hold the Lease proceeds prior to disbursement of funds to the seller of the Equipment. Any interest earned on this account shall be payable to the Lessee. Lessor shall act as the escrow agent and shall disburse funds as appropriate under the other provisions of the Lease. Lessee understands and agrees they have no right of direct access to the funds in said escrow account.
19. **DEFAULT.** Lessee shall be in default of this Lease if: (a) Lessee fails to make any payments which are due under the terms of this Lease for a period of ten (10) days after the due date thereof; (b) Lessee fails to abide by any of the provisions of this Lease, and such failure continues for a period of ten (10) days after notice from Lessor; (c) the Equipment or any portion of the Equipment becomes subject to liens, seizures, assignments, transfers, sublease or sale without the prior written consent of the Lessor; (d) Lessee abandons the Equipment or permits any other entity to use the Equipment without the prior written consent of Lessor, (e) Lessee has made any misleading or false statements in connection with application for or performance of this Lease; (f) Lessee defaults in any other agreement it has with Lessor; (g) Lessee assigns its rights in property for the benefit of creditors; or (h) Lessee files a petition under any state or federal bankruptcy or insolvency laws, or any similar law.

20. **OPTION.** Provided that no default or Non-Appropriation of Funds has occurred, Lessee may purchase all (but not less than all) of the Equipment for the Option Price set forth on Schedule A at the end of the Lease Term. If Lessee exercises its option under this paragraph, Lessor shall convey or release to Lessee, all its right, title and/or interest in the Equipment on an "AS-IS, WHERE-IS" basis without any representation or warranty.
21. **SEVERABILITY.** This Lease is intended to constitute a valid and enforceable legal instrument, and no provision of this Lease that may be deemed unenforceable shall in any way invalidate any other portion or provisions hereof, all of which shall remain in full force and effect.
22. **TIME OF ESSENCE.** Time is of the essence in the performance of all aspects of this Lease; the parties agree that this provision shall not be waived by implication or otherwise should the parties accept performance on a late basis.
23. **CHOICE OF LAW.** The parties agree that the execution, interpretation and performance of this Lease shall be governed by the laws of the State of Maine.
24. **ENTIRE AGREEMENT: NO WAIVER.** This Lease, together with the attached Schedules A-F, constitutes the entire agreement between Lessor and Lessee. No provision of this Lease shall be modified or rescinded unless in writing signed by a representative of all parties hereto. Waiver by Lessor of any provision hereof in one instance shall not constitute a waiver as to any other instance.

IN WITNESS WHEREOF, the parties have caused this Municipal Lease Purchase Agreement to be executed by their duly authorized representatives as an instrument under seal.

Schedule E – Tax Statement

Lessee further covenants to Lessor as follows:

Lessee is a state or a political subdivision thereof, within the meaning of Section 103 of the Internal Revenue Code of 1986, as amended, and regulations thereunder (the “Code”).

The Equipment will be used for a governmental or proprietary purpose of Lessee and will not be used in a trade or business of any person or entity other than the Lessee.

The Equipment will have a useful life in the hands of the Lessee that is in excess of the term of the Lease.

Lessee will comply with all applicable provisions of the Internal Revenue Code of 1986 (the “Code”), including without limitation Section 103 and 148 thereof, and the applicable regulations of the U.S. Treasury Department in order to maintain the exclusion of the interest components of the Lease Purchase Payments from gross income for the purpose of Federal Income Taxation.

Lessee will use the Equipment as soon as practicable and with all reasonable dispatch for the purpose for which this Lease has been entered into. No part of the proceeds of this Lease shall be invested in any securities, obligations or other investments or used, at any time, directly or indirectly, in a manner which, if such use had been reasonably anticipated on the date of this Lease, would have caused any portion of the Lease to be or become “arbitrage bonds” within the meaning of Section 103(b)(2) or Section 148 of the Code, as amended, and the applicable regulations of the U.S. Treasury Department.

Lessee hereby designates the Lease as a “qualified tax-exempt obligation” as defined in Section 265 (b)(3)(B) of the Code, as amended. The aggregate face amount of all tax-exempt obligations (excluding private activity bonds other than qualified 501 (c)(3) bonds) issued, or to be issued, by Lessee and all subordinate entities thereof during the calendar year of commencement of this Lease (the “Issuance Year”) is not reasonably expected to exceed \$10,000,000. Lessee and all subordinate entities thereof will not issue in excess of \$10,000,000 of qualified tax-exempt obligations (including this Lease, but excluding private activity bonds other than qualified 501 (c)(3) bonds) during the Issuance Year without first obtaining an opinion of recognition bond counsel acceptable to Lessor that the designation of this Lease as a “qualified tax-exempt obligation” will not be adversely affected.

Lessee represents and warrants that it is a governmental unit under the laws of the State with general taxing powers, this Lease is not a private activity bond as defined in Section 141 of the Code, as amended: 95% or more of the net proceeds of this Lease will be used for local governmental activities of Lessee; and the aggregate face amount of all tax-exempt obligations (other than private activity bonds) issued, or to be issued by the Lessee and all subordinate

entities thereof during the Issuance Year is not reasonably expected to exceed \$5,000,000. Lessee and all subordinate entities thereof will not issue in excess of \$5,000,000 of tax-exempt bonds (including this Lease, but excluding private activity bonds) during the Calendar Year without first obtaining an opinion of recognized bond counsel acceptable to Lessor that the excludability of the interest on the Lease from gross income for federal tax purposes will not be adversely affected.

Upon Lessor's request, Lessee shall, at its own expense, provide an opinion of recognized bond counsel acceptable to Lessor as to the above representations prior to acceptance of Equipment.

NHSAU 42 Quality of Service Survey

How would you rate the quality of service from SPC regarding this upgrade/install? 1-10, 10 being the best and why?

Sue gives 7 Jamin & Alex tried to do everything they could to help fix things.

Sharon Gives 8-9

How can SPC improve?

Be on the ground day of install making sure vendor does their job.

How would you rate the quality of service from the vendor on this install/upgrade? 1-10, 10 being the best and why?

Negative -1. Very challenging frustrating deployment. Konica's organizational skills were awful. It cannot happen again that way three years from now. They should not move on to another school or district until the job is done at the first one. Never saw any of the leadership, Rachel... John.. were not present. I would never use them again as a vendor. I think they are a terrible company. Not helpful whatsoever. 100 times worse then 2016 install.
