Service & Supplies: Include service and all consumables except staples and paper. Since SPC recommends doing an onsite inspection every two years, followed by putting your Service & Supply contract out to bid, your average cost will stay within this range. In fact, in most cases, due to the competitive nature of this market, it will fall below this average if your volume remained the same.

Proposed Lease Cost Breakdown: There will be a total of Six payments. Your first payment will be in the form of a down payment of \$11,089.50, which will be due August 30, 2015. The projected cost savings from all cost centers in this year's budget should help offset any down payment. Your First of Five annual lease payments will be due on August 1, 2016. Subsequent annual payments will be due on the August 1'st anniversary date. The lease payment is made up of the vendor's equipment cost, the municipal interest, any buyouts if necessary and SPC's 11% processing fee. A complete breakdown of your lease payment is available upon request.
