FLEET REPORT FY22

SPC SUMMARY

This annual fleet report is a service SPC offers in order to stay ahead of problem or aging units under contract. It is designed to highlight areas of concern as well as determine how well your vendor is managing your fleet.

Out of 132 units under contract with Budget, there were 33 service calls on 23 copiers during the fiscal year. Uptime for your fleet was 99.96%, which is excellent for the size and age of your fleet. SPC's bid specs require vendor to arrive within an average of four hours for service calls. However, each vendor calculates these figures differently. Budget notes their average response time from call to arrival as 12.95 hours, which is very high and will be addressed with the vendor.

Your last upgrade was 6/1/2020. All machines are under a five-year+ warranty and service contract that expires on 6/30/2026. The average model in your fleet was introduced about 5 years ago.

No units had more than 3 service calls.
