Dear Lynn:

VISIT US ON THE WEB:
www.spccopypro.com

On behalf of all of us at Specialized Purchasing Consultants, thank you for your continued confidence in us. Our relationship is **now 21 years strong**, and we hope that your trust in us and this relationship will continue for many years to come.

The following Annual Report provides an overview of last year's reprographic equipment usage and status. Recommendations are included based on usage and remaining life expectancy to address potential problem areas. This will help to avoid needless down time and improve equipment reliability.

Every year we strive to improve or enhance our services to save our clients time, money, and effort. For the past number of years, numerous new features have been implemented to benefit our clients such as Simplified Billing, FMAudit automated meter reading, STARDoc and IT Asset Management. We hope you have found these services to be beneficial and time-saving. We are very pleased to offer these services at no additional charge.

During our meeting with you to review this report, we would like to take some time to review our current services and discuss how these are being utilized in your district. We also welcome suggestions for improvement to enhance your experience with SPC.

Again, we appreciate the opportunity to continue to provide you with the best possible pricing, service, and equipment. If you have any questions or are in need of more information, please let us know.

Sincerely,

Skip Tilton

The concept of group purchasing to save millions has grown since 1988 into providing over 16 different managerial services that increase reliability and extend the life of your equipment. However, none of this would have been possible without the loyalty of our clients, many of whom we have assisted for more than 20 years! Together, we have realized the lowest prices

possible while improving the quality of your service and equipment, as well as providing ways to increase your equipment reliability and the ability to monitor and track usage variations throughout the year to keep your costs under control.

Dear Lynn,

It has been four years since your last upgrade and you are now ready to do one. There is one Xerox in particular that is at the end of its life. At its current usage, it's warranty will expire in FY18.

That being said, you do have one last lease payment remaining due on August 1st, 2018. Since we already have a signed SPC contract from you, we are able to put this out to bid in order to do an install in the Summer of 2018. The new lease would then have a commencement date of August 2nd, 2018, with the first payment due on August 1st, 2019. Therefore, you would not have any overlapping payments and we would work within your existing capital budget.

Sincerely,
Skip

Aging Equipment Summary

The following equipment is seven or more years from the date they were first offered for sale by the manufacturer. This is a major factor because availability of parts, cost of operation and warranties all become diminished at 10 years from the Date of Introduction. Usage, age, and service history need to be considered to see if they are due for replacement soon.

Service and Supply Contract - Client

Specialized Purchasing Consultants ("SPC") hereby contracts with _____ ("Client") to provide comprehensive services, supplies, and maintenance to equipment described on Schedule A ("Equipment") using the Contracted Vendor shown below at a cost per print shown on said Schedule A, commencing on _____ and terminating on June 30, _____. This Service and Supply Contract ("Contract") shall exclude only the cost of paper, transparencies, and staples. Refer to Schedule A for Additional Provisions, if any.

SPC assumes responsibility for all billing and vendor payment. SPC shall invoice Client one-half of the annual projected number of pages multiplied by the cost per print listed on Schedule A. This semi-annual billing will take place July 1 and January 1. Actual meter reads will be collected by SPC either electronically or from Client staff during the month of June. A final Reconciliation spreadsheet and invoice will then be completed and sent to client. Upon payment of each billing invoice during the year, SPC will reimburse Contracted Vendor appropriately. Client is responsible for making payment in full within 30 days of said invoicing to avoid suspension of supplies by Contracted Vendor.

On July 1 of each calendar year during the afore-mentioned term, SPC shall credit Client any unused prepaid pages to Client if fewer copies were made by Client during the Contract period ending on or before June 30 annually than were originally estimated under this Contract for such period. If more pages were consumed than billed in the combined semi-annual billing, an overage invoice will be generated. Following semi-annual billing will be based on previous year volume.

On July 1 of each calendar year during the term of this Contract, SPC, at its option, may increase such costs per print under this Service and Supply Contract by 5% or by a percentage equal to the increase during the immediately preceding 12-month period of "The Consumer Price Index for All Urban Consumers (CPI-U) for the U.S. City Average for All Items, 1982-84 = 100," whichever is less.

Client may terminate Contract at any time with a 30-day written notice. Client will be required to provide final meter reads on all Equipment listed on Schedule A, including those added during the Contract term. Any credits owed to Client after reconciling actual usage versus projected will be paid to Client. Client must return any unused consumables to Contracted Vendor.

Benefits of partnering with SPC

Top Benefits to **our CLIENTS**:

1. Cooperative Buying

By definition, is a model that allows a group of buyers with a common interest to pool their buying power in order to negotiate more favorable pricing and better service. SPC's model allows you to pick your preferred vendor!

- SPC's pricing is so strong ***we pay for our own fee*** by acquiring prices lower than what you can do on your own.
- We will ***save you money*** benefiting from the combined purchasing power of more than 70 clients with over 4,100 devices doing more than 255 million copies and prints per year. In 2016 we purchased approximately 1,070 printing devices, with over 83 million prints out to bid.
- We will ***save you time*** by preparing your bid, negotiating with vendors/manufacturers, presenting a total bid analysis and managing the implementation.
- We will ***save you frustration***. We manage your contracts for up to five years from the date of installation.

2. Exclusive STARDoc Software

- Maps all devices and sets up "Interactive Live Floor Plans" of all printing devices, showing you a Before and After Upgrade look; provides a visual for all decision makers over the next five years.
- STAR Doc studies your printing habits and is able to predict your year-end cost months in advance, before you receive your year-end reconciliation invoice.
- Sets up your next year's budget at the click of a mouse.

3. Simplified Billing Program

- Removes the confusion out of billing.
- Eliminates variety of invoices from multiple vendors that come annually and/or quarterly.
- With SPC's Simplified Billing Program, TWO invoices are sent each year from ONE billing source.
- Reconciles all of your devices at the end of the year: You pay only for what you use; no minimums.

4. Five-Year Equipment Replacement Schedule

- SPC's staff surveys key locations that determine life of existing equipment.
- Specs out new equipment needed: Does not allow vendors to undersize during the bidding process.
- Manages the entire bid process down to the install.

5. Annual Report

- A crucial document that extends the life of your equipment, often getting 8 to 10 years of guaranteed performance! Flags copying trends within your organization such as over usage
- You get an overview of your current equipment situation, reports associated with copying and printing costs and, if needed, recommendations for addressing situations posing a problem

6. Vendor Neutral

- SPC does not recommend just one brand; we suggest what's best for you with serviceability in mind.
- We present you with the bid results and offer recommendations, yet the decision is yours to make.

SPC has been serving their clients since 1988, saving millions of dollars along the way.
