

SchoolCare - KMBS
Fleet Report FY22

SPC SUMMARY

This annual fleet report is a service SPC offers in order to stay ahead of problem or aging units under contract. It is designed to highlight areas of concern as well as determine how well your vendor is managing your fleet.

There were no service calls on your two copiers under contract with Konica Minolta. This is good news to know that KMBS is taking good care of your equipment.

Your last upgrade was in 7/1/2019. All machines are under a five-year+ warranty and service contract that expires on 6/30/2024. The average model age is just under 6 years from date of introduction. We monitor this detail because as models get more than 10 years out from date of introduction parts become harder to locate and repair times may be longer.
