FLEET REPORT FY23**

SPC SUMMARY

This annual fleet report is a service SPC offers in order to stay ahead of problem or aging units under contract. It is designed to highlight areas of concern as well as determine how well your vendor is managing your fleet.

Out of the two units under contract with KMBS, there were no service calls, according to the vendor.

Your last upgrade was 7/1/2019. All machines are under a five-year+ warranty and service contract that expires on 6/30/2024. The average model in your fleet was introduced almost seven years ago. We monitor this detail because as models get more than 10 years out from date of introduction parts become harder to locate and repair times may be longer.
